Official Title and Summary

REAPPORTIONMENT BY COMMISSION. INITIATIVE CONSTITUTIONAL AMENDMENT AND STATUTE. Amends state Constitution. Requires 12-person Commission, appointed by retired appellate justices, adjust boundaries of California Senatorial, Assembly, Congressional, and Board of Equalization districts. Commissioners appointed from nominees of non-partisan, non-profit state organizations. Requires Commission review plans submitted by registered voters and adopt plan or amended plan which complies with standards. Each district's population may vary no more than 1% from average district population. Senatorial districts formed from two adjacent Assembly districts, Board of Equalization districts from 10 adjacent Senate districts. Elections held for all Senate and Assembly seats in 1992. Summary of Legislative Analyst's estimate of net state and local government fiscal impact: Requires Legislature to transfer \$3.5 million to the Independent Citizens Redistricting Fund in 1990-91 for expenses of commission. Transfers thereafter, every 10 years, adjusted for changes in the Consumer Price Index, resulting in the reduction of reapportionment costs by several millions of dollars each decade. If Supreme Court undertakes redistricting, state costs would increase thereby offsetting part or all of above savings.

Analysis by the Legislative Analyst

Background

The California Constitution requires the Legislature to adjust the boundary lines of the Assembly and Senate, Congressional, and Board of Equalization districts every 10 years, following the federal census. This process is known as "reapportionment" or "redistricting." The primary purpose of reapportionment is to establish districts which are nearly equal in population. Federal law and the California Constitution prescribe other objectives and standards which the Legislature must follow in adopting statutes to establish new district boundaries. The existing districts must be changed after the November 1990 election to reflect the new federal census.

The Constitution requires that elections for 20 of the 40 Senators and all of the 80 Assembly members be held every two years. Senate terms are for four years and Assembly terms are for two years.

Proposal

This measure amends the California Constitution to create the Independent Citizens Redistricting Commission for the purpose of reapportioning Assembly and Senate, Congressional, and Board of Equalization districts. It also changes the elections cycle for state Senators.

The Redistricting Commission. An Independent Citizens Redistricting Commission would be established following each decennial census. The commission would consist of 12 members. A panel of three retired justices from the California Courts of Appeal would appoint the members and alternates from a list of registered California voters nominated by nonprofit, nonpartisan organizations. At least five members of the commission must come from each of the two largest political parties. The remaining two members must not be members of these parties.

Members of the first reapportionment commission would be appointed on May 31, 1991. Immediately

following their appointment, members are subject to disqualification by representatives of any political party which received 10 percent or more of the total vote for governor in the preceding election. Each party may disqualify two members of the commission in this manner. Disqualified members would be replaced by the justices from among the alternates.

The commission is required to adopt one plan for Assembly, Senate and Board of Equalization districts, and another plan for Congressional districts. If the commission is not able to adopt redistricting plans that meet the requirements of this measure, it would be disbanded and a new commission would be selected following the same procedure used to select the original commission. If the second commission is also unable to adopt plans, then the commission would be disbanded and the California Supreme Court would be required to adopt the reapportionment plans.

The Redistricting Process. The redistricting process begins with the publication of an information manual by the Secretary of State. This manual includes information about the standards which a redistricting plan must meet, copies of census maps, statistical data, instructions for the submission of redistricting plans to the commission, and other data requested by the justices. Any registered voter may then submit a single redistricting plan to the commission within the 60-day period for submission of plans. The plans must then be made available for public inspection for a 45-day period. During this period, the commission is required to accept and review written comments, and to solicit and accept public comments at three public hearings prior to adopting final reapportionment plans.

Within 30 days after the close of the public inspection period, the commission is required to adopt the reapportionment plans which best satisfy the requirements of this measure. A majority vote of at least seven commissioners is required to adopt the plans, with at least two votes coming from commission members

belonging to each of the two major political parties. If no plan satisfies the standards, the commission must pick at least three but not more than five of the submitted plans. These plans must be returned to their authors for resubmittal, along with the transcript indicating how the plans failed to meet the standards. The commission must then select the best of the resubmitted plans, or amend them as necessary to achieve compliance with the standards.

The reapportionment plans are subject to the referendum, if sufficient signatures are gathered to place the measure on the statewide ballot. In the event that the voters reject an adopted reapportionment plan, the justices must appoint a new commission to adopt a new plan within 45 days of the rejection. However, if the rejected plan was used for the immediately preceding primary election, it must continue to be used in the subsequent general election.

The California Supreme Court would have exclusive state court jurisdiction to review legal challenges to plans adopted by the commission. The court is required to adopt new plans within 60 days if neither the original commission nor the replacement commission adopts plans within the designated time, or if a replacement commission's adopted plans are found by the court to violate federal laws. The court must adopt plans that are in accordance with the objectives and standards of this measure.

Objectives and Standards Governing Reapportionment
The measure requires that the commission's reapportionment plans promote certain objectives and conform with certain standards. These objectives and standards require that:

- Assembly and Congressional districts not vary in population by more than one percent.
- Fair and effective representation be provided for all residents of the state.
- Minority populations must not be dispersed or concentrated in a manner that has an adverse effect on their political influence.
- Each Senate district be composed of 2 adjacent

Assembly districts and each Board of Equalization district be composed of 10 adjacent Senate districts.

- District lines must respect certain county boundaries, be composed of contiguous and compact territories, and must minimize the division of cities.
- To the extent practicable and consistent with the achievement of the other standards, the proportion of registered voters of each major political party in a district must be within two percent of the statewide proportion of that party's voters.

Support for the Commission. Each member would receive: (1) \$100 for each day of commission business, and (2) reimbursement for reasonable expenses incurred. The commission is authorized to employ staff as needed.

Election of Senators. The measure also requires elections to be held for *all* Senate seats in 1992, and every 10 years thereafter. Following the 1992 election, all even-numbered seats will have one two-year term, followed by two four-year terms. Following the 2002 election, the odd-numbered Senate seats will have one two-year term and two four-year terms. The terms for odd- and even-numbered seats would continue to rotate in this fashion following every census.

Fiscal Effect

The measure requires the Legislature to transfer \$3.5 million from legislative funds to the Independent Citizens Redistricting Fund in 1990-91 for expenses of the commission. No other public monies may be appropriated or expended for redistricting. The Legislature must make transfers to the fund every 10 years thereafter, adjusted for changes in the Consumer Price Index, and reduced to account for any previously unexpended funds. As a result of this limit, reapportionment costs in the state could be reduced by several millions of dollars each decade. However, if the task of adopting a reapportionment plan fell to the Supreme Court, state costs would increase, thereby offsetting part or all of the above savings.

Text of Proposed Law

This initiative measure is submitted to the people in accordance with the provisions of Article II, Section 8 of the Constitution.

This initiative measure amends the Constitution by amending, adding, and repealing sections thereof, and repeals and adds a division of the Elections Code; therefore, existing provisions proposed to be deleted are printed in ~~strikeout type~~ and new provisions proposed to be inserted or added are printed in *italic type* to indicate that they are new.

PROPOSED LAW

INDEPENDENT CITIZENS REDISTRICTING INITIATIVE

Section One. Findings and Declarations. The people find and declare as follows:

1. Fair reapportionment and redistricting are essential to representative democracy.

The fair periodic redrawing of legislative boundary lines promotes competition for elective office, strengthens the political power of voters, and affirms public confidence in government.

3. Districts must not be drawn for the purpose of favoring any political party or incumbent. Permitting legislators to draw or choose their own districts is an inherent conflict of interest which encourages

political gerrymandering and discourages competition against incumbents.

4. Openness and accountability in government demand that the process of redistricting be moved from behind the scenes to an open public process implemented by an Independent Citizens Redistricting Commission.

5. Redistricting by the Commission will be completed at half the cost of legislative redistricting, thereby saving the people of this State \$3.5 million each time new districts are drawn.

Section Two. Article XXI of the California Constitution is hereby repealed.

ARTICLE XXI

REAPPORTIONMENT OF SENATE, ASSEMBLY, CONGRESSIONAL, AND BOARD OF EQUALIZATION DISTRICTS

SECTION 1. In the year following the year in which the national census is taken under the direction of Congress at the beginning of each decade, the Legislature shall adjust the boundary lines of the Senatorial, Assembly, Congressional, and Board of Equalization districts in conformance with the following standards:

Argument in Favor of Proposition 119

LEAGUE OF WOMEN VOTERS

SUPPORTS INDEPENDENT BIPARTISAN COMMISSION

The Public Interest is not served when legislators design their own election districts. It is an obvious conflict of interest. Prop. 119 corrects this. It establishes a temporary Independent Bipartisan Commission to do the redistricting. All meetings and negotiations of the Commission must be in public.

The current redistricting system assures safe seats for incumbents. Elections then offer voters little choice, resulting in voter apathy.

Prop. 119 requires that the Commission select a plan that honors city and county boundaries and minority populations. It benefits all voters and traditional democratic values.

Join us as Advocates for the Voter.

SAVE TAXPAYER DOLLARS

Prop. 119 will restore fair elections and save taxpayers money. Legislators spent \$7 million redistricting in 1981 and plan spending \$12 million next year. Prop. 119 limits expenditures to \$3.5 million.

Paul and Howard devoted their lives to returning government to the people. Please support Prop. 119. SUPPORTED BY MRS. PAUL GANN AND MRS. HOWARD JARVIS.

STOP GERRYMANDERING

Using current redistricting methods, legislators unnecessarily divide cities and counties.

For instance, half of Fresno was put in a district with Carmel. Pasadena's minority citizens were lumped with Bakersfield. Newport Beach and a piece of Irvine were combined with Calexico at the Mexican border. Cities and counties across California were divided for the political advantage of legislators.

Prop. 119 requires that cities and counties be united and forbids this "gerrymandering."

SUPPORTED BY SANDY SMOLEY, SACRAMENTO COUNTY SUPERVISOR, PAST PRESIDENT, COUNTY SUPERVISORS ASSOCIATION OF CALIFORNIA; ERNANI BERNARDI, LOS ANGELES CITY COUNCILMAN; AND CAROL WHITESIDE, MAYOR OF MODESTO.

FAIR REPRESENTATION FOR WOMEN AND MINORITIES

Legislators historically gerrymander districts in the name of better representation but primarily for their political parties and own benefit.

Despite proclaimed benevolence, minorities and women continue to be underrepresented in elected office and our needs continue to be neglected. California is 52% women, 38% minorities. Yet only 12% and 13% respectively occupy state and federal office. Prop. 119 intends to correct gerrymandering by removing selfish party politics.

Prop. 119 bases redistricting on fairness and representational need.

SUPPORTED BY CELES KING, STATE CHAIR, CONGRESS OF RACIAL EQUALITY (CORE); ARNOLDO TORRES, FORMER NATIONAL EXECUTIVE DIRECTOR, LEAGUE OF UNITED LATIN AMERICAN CITIZENS (LULAC); AND GLORIA HOM, TRUSTEE, CALIFORNIA STATE UNIVERSITY.

FISCAL RESPONSIBILITY

Los Angeles Taxpayers Association supports Prop. 119. It saves taxpayers millions, gives taxpayers more competitive districts, and more opportunities for effective representation. SUPPORTED BY JAY CURTIS, PRESIDENT OF LOS ANGELES TAXPAYERS ASSOCIATION.

STOP CONFLICT OF INTEREST.

Since California reapportionment a decade ago, of 580 legislative races, only 9 have seen incumbents defeated. The Legislature has become a self-protection club for both Republicans and Democrats.

Indictments and convictions of legislators are, in part, a result of the arrogance of legislators who design their own districts so they cannot be defeated. Only Prop 119 takes redistricting away from legislators.

Stop this blatant conflict of interest!

Rebuttal to Argument in Favor of Proposition 119

It's obvious. Proposition 119 backers don't want you to know how it really works.

The only way you'll learn the truth is to read it yourself.

119 takes redistricting away from you and gives it to the same special interests and politicians who contributed over \$1,000,000.00 to put it on the ballot.

THE LAST THING PROPOSITION 119 WILL PRODUCE IS FAIR REPRESENTATION. Consider this:

- 119 means coastal areas will get the fewest possible seats.
- 119 means destruction of seats now held by minority legislators.

READ 119'S FINE PRINT, AND ASK YOURSELF:

Why can organizations sponsoring PACs making campaign contributions nominate Commissioners?

Why can't the Commission draw its own redistricting plans?

Why does the selected plan go into effect, even if the voters reject it?

Why can Commissioners vote on plans paid for by organizations that nominated them?

Why aren't plan sponsors REQUIRED TO DISCLOSE who paid for their plans?

Why can POLITICIANS SOLICIT UNLIMITED FUNDS FROM SPECIAL INTERESTS to design their plans?

While Commission meetings are public, THE REAL BUSINESS OF DRAFTING REDISTRICTING PLANS WILL BE DONE IN SECRET BEHIND CLOSED DOORS.

119's Commission is just BUREAUCRATIC WINDOW-DRESSING FOR BACKROOM GERRYMANDERING.

Argument Against Proposition 119

The *last* thing California needs is a worthless and expensive new taxpayer-funded bureaucracy to redraw legislative and congressional districts!

This is not a new idea. Voters rejected this approach twice before, in 1982 and 1984.

Unfortunately, Proposition 119 is even *more* flawed than those earlier proposals.

Its "Independent Citizens Redistricting Commission" may sound good, but the fine print tells a different story.

SPECIAL INTERESTS WILL DRAW DISTRICT BOUNDARIES, NOT THE COMMISSION.

It's hard to believe. Proposition 119 actually spends \$3,500,000.00 to create a Redistricting Commission and then *prohibits* it from drafting its own redistricting plan.

So where will the millions of dollars come from to produce the sophisticated computer maps required by the complex standards in Proposition 119 and federal law for more than 170 different districts, and do it all in just 60 days?

From the same *special interests* that already are spending over \$82,000,000.00 each year to influence our representatives.

But we will never know which special interests spent how much money to draft the plan ultimately adopted by the Commission. Proposition 119 imposes *NO LIMITS* on—and requires *NO DISCLOSURE* of—the amount of money special interests can spend.

COMMISSION MEMBERS ARE ACCOUNTABLE ONLY TO THE SPECIAL INTERESTS WHO NOMINATE THEM.

Proposition 119 says ordinary citizens *cannot* make nominations. And, commissioners are nominated by "nonpartisan, nonprofit public interest organizations."

Who are these organizations? Under the definition in Proposition 119, many organizations lobbying the Legislature on behalf of major corporate interests could make nominations. So, too, could extremist groups from both the Right and the Left.

Proposition 119 *specifically allows* groups sponsoring political action committees making *campaign contributions* to nominate commissioners.

PROPOSITION 119 CLAIMS TO BE NONPARTISAN, BUT IT'S NOT.

Proposition 119 protects the major political parties, not the people. For example:

- Ten of the twelve commissioners must come from the Republican and Democratic parties;
- The Republican and Democratic parties can remove commissioners for political reasons;
- Commission staff is made up of political appointees, not nonpartisan civil servants; and
- Local districts must be drawn to approximate the *statewide* registration of the Republican and Democratic parties, once other standards are met.

Instead of taking partisanship out of redistricting, Proposition 119 ensures a *partisan gerrymander*.

PROPOSITION 119 TAKES AWAY YOUR RIGHT TO VOTE.

That's right. Once adopted, the plan can be placed on the ballot by the people. But Proposition 119 says *the plan takes effect in 1992 even if the people vote it down*.

BACKERS OF PROPOSITION 119 SPENT MORE THAN \$1,000,000.00 TO PUT IT ON THE BALLOT.

Where did the money come from? Major corporations in the insurance, oil, savings and loan, banking and other industries. Land developers. Corporate executives. And more than a dozen incumbent Republican politicians.

DON'T BE FOOLED. READ THE FINE PRINT. LOOK AT WHERE THE MONEY IS COMING FROM.

THEN SAY NO TO MORE BUREAUCRACY AND MORE SPECIAL INTEREST MANIPULATION OF OUR GOVERNMENT.

VOTE NO ON PROPOSITION 119!

Rebuttal to Argument Against Proposition 119

MAKE NO MISTAKE! INCUMBENT POLITICIANS ARE BEHIND THE OPPOSITION TO PROPOSITION 119.

Powerful political leaders defeated earlier attempts at redistricting reform. These same Sacramento politicians want desperately to hold onto their power to draw their own district lines.

PROPOSITION 119 ends this blatant conflict of interest!

PROPOSITION 119 establishes a system fair to every voter.

NO SPECIAL INTERESTS

Under Proposition 119, all special interests and legislators are forbidden to illegally influence the redistricting commission. Those found guilty receive stiff criminal penalties.

The League of Women Voters supports Proposition 119 because it eliminates the legislators' conflict of interest and forces the entire process into the open.

PROPOSITION 119 REDUCES BUREAUCRACY

It requires that redistricting costs be cut by 50%. That's one reason Mrs. Paul Cann, Mrs. Howard Jarvis, Los Angeles Taxpayers' Association—all support Proposition 119.

REDUCES POLITICIANS' POWER

Currently, whichever political party is in power controls redistricting. The last redistricting lines were so gerrymandered that the author arrogantly referred to them as his "contribution to modern art."

BROAD SUPPORT FOR PROPOSITION 119

Over 25,000 Californians contributed an average \$48 each and gathered over 970,000 signatures in their neighborhoods.

Entrenched politicians want to keep the power to design their own districts—a blatant conflict of interest! Proposition 119 removes their power and puts it in the hands of the people.

Proposition 119 keeps cities and counties together, protects minority rights, and gives qualified men and women a fair chance to be elected.

Section Three, Section One of Article IV of the California Constitution is hereby amended to read as follows:

SEC. 1. *Legislative Power.* The legislative power of this State is vested in the California Legislature, which consists of the Senate and Assembly, but the people reserve to themselves the powers of initiative and referendum. *Notwithstanding the foregoing provision, or any other provision of this Constitution, the legislative power of this State with respect to the redistricting of federal and state legislative districts and State Board of Equalization districts is vested exclusively in the people of the State, to be exercised on their behalf by the Independent Citizens Redistricting Commission established pursuant to Article IV A of the California Constitution. To the extent that Section Four of Article I of the United States Constitution may require redistricting to be done by the Legislature, the Independent Citizens Redistricting Commission shall be deemed to be the Legislature of this State for this purpose.*

Section Four. Article IV A is hereby added to the Constitution of the State of California, to read as follows:

ARTICLE IVA REDISTRICTING

Purpose and Intent. It is the intent of the people of the State of California to create state legislative and Board of Equalization districts and federal legislative districts which conform to the one-person, one-vote principle, which provide fair and effective representation for all residents of the State, including racial and ethnic minorities, and which maintain identifiable communities of interest. The people further intend to redistrict in an open, public and timely manner and to create districts that are not drawn with the intent to favor any political party or incumbent.

2. Redistricting Authority; Amendment. Except as otherwise provided in this Article, the exclusive authority to determine the boundaries of districts for the California State Senate, Assembly, and Board of Equalization, and for the United States House of Representatives for the State of California, is vested in the Independent Citizens Redistricting Commission established by this Article. No elected official, nor any body of elected representatives of the voters of this State, shall be vested with any power to design, alter, adopt, or implement any other plan to redistrict federal or state legislative districts or State Board of Equalization districts, and any such plan shall be void. The Legislature may place an initiative measure on the ballot for the purpose of amending this Article or Division 18 of the Elections Code only by enacting an urgency statute in accordance with Section 8 of Article IV of the California Constitution.

3. Creation of Commission. There is hereby established the Independent Citizens Redistricting Commission, hereinafter called "the Commission", which shall be generally representative of the geographic, gender, racial, and ethnic diversity of the State and in which shall be vested the sole and exclusive power, except as otherwise provided in this Article, to determine electoral district boundaries for the California State Senate, Assembly, and Board of Equalization, and for the United States House of Representatives for the State of California. Members of the Commission, hereinafter called "Commissioners," shall be chosen for the term of the Commission during the year following the year of the federal decennial census, or as otherwise provided in this Article. A replacement Commission shall be created if a Commission shall fail to adopt any plan for redistricting.

4. Selection of Commissioners. During the year following each decennial year, the Secretary of State shall prepare a list of the names of persons nominated to serve as Commissioners which names shall have been submitted by nonpartisan, nonprofit public interest organizations in the State of California. From this list, a panel of three retired appellate court justices appointed by the California Judicial Council, shall appoint a bipartisan Commission of twelve men and women and a like group of alternates. Public officials and their staffs, officials of any political party and their employees, family members of all such officials in the first or second degree of lineal or collateral consanguinity or persons who have been convicted of malfeasance in office or of a felony, and whose civil rights have not been restored, shall be ineligible to serve on the Commission. Nominees may also be rejected for cause or by peremptory challenge as provided by Elections Code Section 30003 or its successor.

5. Duties of Commission. Any registered voter of the State of California, except any justice, Commissioner, alternate, nominee, the Commission's special master, Commission employee, or justices' employee may prepare and submit one plan to redistrict the United States House of Representatives for the State of California, or one plan to redistrict the California Senate, Assembly, and Board of Equalization, or both. The Commission shall select from among submitted plans one plan to redistrict the U.S. House of Representatives for the State of California and one plan to redistrict the California Senate, Assembly, and Board of Equalization which best comply with the standards set forth in this Article. Notwithstanding any other provision of this Article, the Commission may amend submitted plans in order to, and only to the extent necessary to, bring such plans into compliance with the standards set forth in this Article.

6. Standards for Plans.

(a) The Commission shall initially review all plans but shall consider and evaluate only those plans which are accompanied by maps and by supporting documentation as to population, minority composition, and party registration for each district and such other information as the justices or the Commission may require and which comply with all the following standards:

(1) Districts shall be single member. California Assembly and United States House of Representatives districts shall be as equal in population as practicable, shall not deviate from standards established

by federal statutory and case law, and in no event shall vary in population by more than one percent from the average district population.

(2) Plans shall provide fair and effective representation for all people of the State. Districts shall be drawn in accordance with all standards mandated by federal and California law and shall neither disperse nor concentrate minority populations in a manner that has an adverse effect on their political influence;

(3) Each state Senate district shall be composed of two adjacent Assembly districts and each Board of Equalization district shall be composed of ten adjacent Senate districts;

(4) Districts shall be comprised of contiguous territory. Populous adjacent territory shall not be bypassed to reach distant populous areas.

(b) From among plans that comply with the standards of subdivision (a) of this Section, the Commission shall select the plans which most nearly comply with the additional following standards, giving them priority in the order listed.

(1) In order to ensure that district lines respect regional mountain barriers, no district may cross the following common county boundaries: Alameda and San Joaquin; Santa Clara and Stanislaus; Santa Clara and Merced; San Benito and Merced; San Benito and Fresno; Monterey and Fresno; Monterey and Kings; San Luis Obispo and Kern; Santa Barbara and Kern; Ventura and Kern.

(2) Except as prohibited in subsection (1) of this subdivision, only one district of each type may cross a particular common boundary between two counties. No district may cross a county boundary more than once. No county may contain fragments of more than two districts of each type.

(3) District boundaries shall not be drawn to fragment incorporated cities. For purposes of subsections (3), (4), and (5), the following definitions shall apply:

(a) "City" shall mean (1) all of the area and population contained within the exterior incorporated boundary of a city or town plus all the area and population of unincorporated areas or additional cities completely surrounded by that original city, or (2) where possible, that city's "sphere of influence" as defined by the appropriate Local Agency Formation Commission. Non-contiguous portions of a city, detached from the largest portion of that city, shall not be considered within that city for purposes of applying this criterion.

(b) A city fragment is a populated portion of a city in a district which also includes territory outside of the exterior boundary of that city.

(4) For State Assembly and U.S. House of Representatives districts, the total number of any one city's fragments may not exceed one more than the number calculated by dividing that city's population by the ideal district population and rounding the quotient to the nearest whole number.

(5) No district may contain more than two city fragments.

(6) Each Assembly and Congressional district shall contain no less than 60 percent of the population which would be contained in a polygon with the shortest possible perimeter drawn around that Assembly or Congressional district. The average of all such percentages for all districts of a type shall not be less than 72 percent. For purposes of computing such percentages, the total population of any geographic census block or enumeration district shall be deemed to be within a given polygon or Assembly or Congressional district if the block's or enumeration district's geographic center falls within the polygon or Assembly or Congressional district. The islands off the coast of the state shall not be included in these calculations.

(7) To the extent permitted by the foregoing standards, the greatest possible number of districts should be competitive. A district shall be deemed "competitive" if the registration within the district of each of the state's two largest political parties is no greater than two percentage points above or below that party's registration in the state as a whole, as defined by the most recent published report of registration issued by the Secretary of State.

(8) Census blocks shall not be divided except to follow city limit boundaries.

(c) New districts shall be consecutively numbered from North to South. In order to eliminate a lapse of Senate representation because of district numbering, elections shall be held for all state Senate seats in 1992. Following said election, all even-numbered state Senate seats will have one two-year term, and odd-numbered seats will have a four-year term. Thereafter, all Senate seats will have four-year terms until the next decennial redistricting. Elections shall again be held for all state Senate seats in 2002. Following this election, all odd-numbered seats will have one two-year term, while even-numbered seats will have a four-year term. Thereafter, all Senate seats will have four-year terms until the next decennial redistricting. The two-year term will continue to alternate between even-numbered and odd-numbered districts after each decennial census.

7. *Appropriations: Disclosure in State Budget.* The Legislature shall not appropriate or spend funds for legislative redistricting or for any other activity related to redistricting except as required for the support of the Commission.

8. *Referendum and Judicial Review.* Any redistricting plan adopted by the Commission shall be deemed a statute of this state and shall be subject to referendum pursuant to the procedures applicable to a statute of this state. Notwithstanding any other provision of this Constitution, districts created by such a plan shall be used for any election held pending such a referendum, and for any general election, if such districts were used during the preceding primary for the purpose of selecting candidates for the general election. Notwithstanding any other provision of this Constitution, the date of enactment of each plan shall be the date of filing with the Secretary of State. On the date of enactment of each Congressional redistricting plan, the previous Congressional plan shall be repealed; and on the date of enactment of each California Senate, Assembly, and Board of Equalization plan, the previous California Senate, Assembly, and Board of Equalization plan shall be repealed. The California Supreme Court shall have original and exclusive jurisdiction to review legal challenges to the redistricting plans adopted by the Commission. If the Commission and a replacement Commission shall both fail to adopt any plan, the California Supreme Court shall adopt such a plan, consistent with this Article, within 60 days after the deadline for adoption of such plan by the replacement commission.

Section Five. Section 2 of Article IV of the California Constitution is hereby amended to read as follows:

SEC. 2. (a) The Senate has a membership of 40 Senators elected for a 2-year or 4-year term, 20 to begin every 2 years, term, as provided in Section 6 of Article IV A of this Constitution. The Assembly has a membership of 80 members elected for 2-year terms. Their terms shall commence on the first Monday in December next following their election.

(b) Election of members of the Assembly shall be on the first Tuesday after the first Monday in November of even-numbered years unless otherwise prescribed by the Legislature. Senators shall be elected at the same time and places as members of the Assembly.

(c) A person is ineligible to be a member of the Legislature unless the person is an elector and has been a resident of the legislative district for one year, and a citizen of the United States and a resident of California for 3 years, immediately preceding the election.

(d) When a vacancy occurs in the Legislature the Governor immediately shall call an election to fill the vacancy.

Section Six. Division 18 of the Elections Code is hereby repealed effective January 1, 1992, with the exception of Sections 30011, 30022, and 30040 through 30044, which Sections shall remain in effect until and be repealed upon the date of enactment of the first California Senate, Assembly and Board of Equalization plan adopted by the Commission; and with the exception of Section 30032, which shall remain in effect until and be repealed upon the date of enactment of the first U.S. Congressional redistricting plan adopted by the Commission.

DIVISION 18. LEGISLATIVE, CONGRESSIONAL, AND EQUALIZATION DISTRICTS

CHAPTER 1. GENERAL PROVISIONS

30000. Any maps describing the boundaries of the districts, as contained in this division, which have been prepared by the Legislature or a committee of the Legislature in connection with the enactment of this division may be deposited with the Secretary of State in order to illustrate the boundary lines set forth in this division. Maps deposited with the Secretary of State pursuant to this section may be used by the Secretary of State and the several county clerks for purposes of assisting in the interpretation of this division and to facilitate the Secretary of State and the county clerks in their administrative functions involved in the conduct of elections.

30001. Each house of the Legislature shall be a proper party to, and, if not originally named as a party, shall have the right to intervene in, any action involving the validity or application of any statute which provides for changes in the boundaries of any legislative districts of members of that particular house.

CHAPTER 2. ASSEMBLY DISTRICTS

30010. It is the intent of the Legislature in enacting this chapter to pass legislation essentially different from Assembly Bill 300 (Chapter 537 of the Statutes of 1981). It is further the intent of the Legislature to implement Article XXI of the California Constitution and to fully comply with the equal protection requirements of the California and United States Constitutions.

The Legislature has conducted a detailed analysis of Chapter 537 of the Statutes of 1981 and of Chapter 590 of the Statutes of 1981. It has also held public hearings and solicited public comment on the means by which the Legislature can enact a redistricting plan which meets the requirements of the California and United States Constitutions and is essentially different from Assembly Bill 300 (Chapter 537 of the Statutes of 1981). The Legislature accordingly finds that:

(1) Assembly Bill 300 (Chapter 537 of the Statutes of 1981) was placed on the ballot for the June 1982 primary election and was disapproved by the voters pursuant to Section 9 of Article II of the California Constitution and is therefore of no force and effect.

(2) This chapter is essentially different from that rejected by the voters and fully complies with the requirements of the California and United States Constitutions.

(3) Passage of this redistricting plan in this form is necessary in order to comply with the requirements of the California and United States Constitutions with regard to the equal protection of the laws, the decennial redistricting of the Assembly, the contiguity of districts, the consecutive numbering of districts from north to south, and the geographical integrity of cities, counties, and regions.

If any census tract, block, block group, or enumeration district is omitted, listed more than once, or is only partially provided for, it is the intent of the Legislature that the districts be defined in such a manner as to not omit any area of California from a district and to comply with the standard of Article XXI of the California Constitution requiring that districts be reasonably equal. In order to carry out the intent of the Legislature as expressed in these sections, the Secretary of State shall undertake necessary measures to insure compliance with this section:

(c) In a public proceeding, the justices shall summon the first 100 nominees. Commencing in numerical sequence with the first name on the list of nominees, and proceeding thereafter in consecutive numerical order, the justices shall examine all the summoned nominees under oath. Any act of perjury during this examination shall be punishable pursuant to the provisions of Chapter 5 of Title 7 of Part 1 of the Penal Code.

(1) The justices shall excuse any nominee for cause if, as a result of examination, it shall appear that one of the following conditions exists:

(A) The nominee is unqualified or disqualified to serve as a member of the Commission, pursuant to Section 30002.

(B) The nominee, in the opinion of the justices, lacks either a sufficient understanding of redistricting or the mental or physical capacity to adequately perform the duties of a Commissioner.

(C) The nominee, in the opinion of the justices, will be unable to perform the duties of a Commissioner in a reasonably impartial manner due to the nominee's extreme bias in support of or opposition to a political party; provided, however, that mere membership in or support of a political party shall not constitute cause within the meaning of this subdivision.

(D) The nominee has, within one year prior to nomination, amended his or her voter registration for the purpose of changing party affiliations.

(2) Upon completion of the examination, the justices shall appoint twelve persons as Commissioners. All remaining nominees who have been examined and who have not been excused for cause shall serve as alternates and shall be eligible to be appointed by the justices to replace any Commissioner who subsequently is removed by peremptory challenge or is otherwise unable to serve or is disqualified from serving.

(3) In the event that the justices cannot comply with the appointment process required by subsection (2) of this Section, the justices shall summon successive groups of as many nominees as they shall require from the list compiled by the Secretary of State and proceed in the same manner to examine such persons until the requisite number of twelve Commission appointments are made and there are available remaining alternates.

(4) The chairperson of each political party, the candidate for governor of which has received 10% or more of the total vote for governor in the immediately preceding gubernatorial general election, may designate an official representative to attend the examination and appointment proceedings. Immediately following the appointment by the justices of twelve Commissioners, each party representative may exercise a peremptory challenge against not more than two

Commissioners, and may thereupon disqualify such persons from serving thereafter as Commissioners or alternates. The justices shall then make appointments from among the alternates to replace such challenged Commissioners.

(d) The men and women of the Commission shall be generally representative of the geographic, gender, racial and ethnic diversity of this state. Five Commissioners shall be members of the largest political party and five Commissioners shall be members of the second largest such political party in this state, as determined by the justices in accordance with voter affiliation statistics provided by the Secretary of State. The remaining two Commissioners shall not be members of either such party.

(e) No employer shall discharge, discipline, or otherwise subject any employee to loss of any occupational position or benefit, nor shall any person suffer any loss of any governmental benefit or entitlement, by reason of that person's service as a nominee, Commissioner, or alternate.

(f) Each Commissioner shall be compensated at the rate of \$100 for each day they are involved in the conduct of the Commission's business, adjusted in accordance with the Consumer Price Index for the State of California as reported by the Division of Labor Standards or its successor agency. Each Commissioner shall be reimbursed for reasonable expenses incurred in the conduct of the Commission's business, including lodging, travel and childcare expenses, as determined by the Department of Personnel Administration. The justices and the special master appointed pursuant to Section 30004 of this Division shall be compensated for actual services at the rate prescribed in Section 68201(b) of the Government Code, annually adjusted in accordance with Government Code Section 68203, and pro rated for any partial period, and shall also be reimbursed for reasonable expenses incurred. Nominees summoned for examination by the justices pursuant to this Division shall be reimbursed for reasonable expenses actually incurred, as determined by the Department of Personnel Administration.

(g) The justices shall appoint an alternate to replace any Commissioner who, prior to the disbanding of the Commission, dies, becomes incapacitated or disqualified under the provisions of this Division, or is otherwise unable to perform the duties of a Commissioner.

30004. Commission Staff.

(a) The justices shall appoint an impartial special master for the Commission. The special master shall act as Commission administrator and shall preside in an impartial manner over sessions of the Commission, but shall have no vote in any matter to be decided by the Commission. The special master may be one of the justices, or a person experienced in administration and management. The justices may also employ such staff as they shall require until the Commission has been appointed.

(b) The Commission shall employ from among four individuals nominated by the justices an executive director and a deputy executive director. The executive director and deputy executive director shall not be members of the same political party, but must be members of either of the two largest political parties in this state. Subject to the approval of a majority of the Commission, the executive director shall employ such staff and consultants and arrange for such meeting and office quarters and other services as may be required by the Commission. The executive director, deputy executive director, and additional Commission staff shall not be subject to the provisions of the Civil Service Act, commencing with Section 18500 of Part 2 of Division 5 of Title 2 of the Government Code.

(c) The special master, the justices' staff members, and the Commission staff members shall be persons who satisfy the same qualifications applicable to a Commissioner, as set forth in Section 30003(c)(1).

30005. Independent Citizens Redistricting Fund. The Independent Citizens Redistricting Fund is created within the State Treasury and is continuously appropriated for carrying out the purposes of this Division. In fiscal year 1990-91, the Legislature shall transfer \$3.5 million from its contingency or operating fund into the Independent Citizens Redistricting Fund. No other public moneys shall be appropriated or expended for redistricting. Each decennial fiscal year thereafter, the Legislature shall transfer a like amount to the Independent Citizens Redistricting Fund, adjusted in accordance with the Consumer Price Index for the State of California as reported by the Division of Labor Standards or its successor agency, and reduced by the amount of any unexpended monies previously transferred to said Fund. The Controller shall draw warrants on said Fund no less frequently than monthly for the purposes of paying the expenses of the Commission, as certified by the special master.

30006. Meetings; Procedures; Rules and Regulations.

(a) Meetings of the Commission shall be open and public in accordance with the Bagley-Keene Open Meeting Act, commencing

with Section 11120 of Chapter 1 of Part 1 of Division 3 of the Government Code.

(b) Except as otherwise provided in this Division, all writings and documents prepared by or for the use of the Commission and Commission staff shall be deemed "public records" within the meaning of Government Code Section 6252. All such public records shall be available for public inspection in accordance with the Public Records Act, commencing with Section 6250 of Chapter 3.5 of Division 7 of Title 1 of the Government Code.

(c) The Commission may adopt, amend, and repeal rules and regulations governing the conduct of its business, but shall not be subject to the provisions of the Administrative Procedures Act, commencing with Section 11340 of the Government Code, nor shall rules and regulations so adopted, amended, or repealed be subject to review by the Office of Administrative Law or its successor agency.

(d) No action shall be taken by the Commission except by the recorded affirmative vote of at least seven Commissioners. Notwithstanding any other provision of this Division, a vote to select plans to be returned for resubmission pursuant to subdivision (d) of Section 30008, or to adopt final plans, shall be conducted in a public proceeding and shall require the affirmative recorded vote of at least seven Commissioners, two of whom are affiliated with the largest political party and two of whom are affiliated with the second largest political party.

(e) No Commissioner shall be eligible for election to any state legislative or State Board of Equalization office for two years after the date upon which the justices declare the Commission disbanded.

30007. Information Manual.

(a) Not later than February 1st of the year following each decennial year, the justices shall specify to the Secretary of State the data that will be required for the submission of redistricting plans. (c) The Secretary of State shall charge a reasonable fee for preparation and distribution of information manuals prepared pursuant to this Section, in order to recover the actual direct preparation and distribution costs incurred by the Secretary of State. The Secretary of State shall additionally provide one copy of the information manual at no charge to each county election official in this State, who shall make said manual available for public inspection at no charge during regular business hours.

30008. Preparation and Submission of Redistricting Plans and Hearings. Any registered voter of the State of California, except for a justice, Commissioner, alternate, nominee, member of the Commission staff or justices' staff, or the special master, may prepare and submit a plan for redistricting the United States House of Representatives for the State of California, or a plan for redistricting the California Assembly, Senate, and Board of Equalization, or both, in accordance with the provisions of this Division and the information manual prepared by the Secretary of State pursuant to the provisions of Section 30007. No person or organization may directly or indirectly submit to the Commission more than one plan for redistricting the United States House of Representatives for the State of California or more than one plan for the California Assembly, Senate, and Board of Equalization. The Commission shall review all such plans but shall not adopt any proposed plans which do not substantially comply with the provisions of Article IV A of the California Constitution, this Division and provisions of the information manual. Redistricting plans shall be prepared and submitted in accordance with the following schedule and procedure.

(a) Fifteen days after United States Bureau of the Census data has been made available to the Secretary of State, he or she shall issue a

public notice stating that the period for submission of proposed redistricting plans will terminate at the close of business on the sixtieth day following the date of the issuance of the notice. Said notice shall be distributed to the news media and published in every daily newspaper of general circulation in this state in accordance with the provisions of Section 6061 of the Government Code.

(b) Immediately following the conclusion of the period for the submission of plans, the Commission shall for a period of 45 days make available for public inspection copies of each plan received, together with supporting documentation and other materials received with said plans.

(c) During the public inspection period set forth in subdivision (b) of this section, the Commission shall accept and review written comments on submitted plans and shall solicit and accept public comment on said plans at three public hearings. One such hearing shall be held in Northern California, one such hearing shall be held in Central California, and one such hearing shall be held in Southern California. Notice of said hearings shall be distributed to the news media and published in every daily newspaper of general circulation in this state, in accordance with Section 6061 of the Government Code.

(d) Within 30 days after the conclusion of the public inspection period, the Commission shall adopt the plans which best satisfy the requirements of Article IVA of the California Constitution and the provisions of this Division. If, in the opinion of the Commissioners, no submitted plans comply with the aforesaid requirements and provisions, the Commissioners may select at least three but not more than five plans for redistricting the United States House of Representatives or at least three but not more than five plans for redistricting the California Assembly, Senate and Board of Equalization, or both, and instruct the special master to return them to the submitting parties, together with the Commission transcript indicating those respects in which such plans fail to conform and instructions for resubmission. Said plans shall be resubmitted not later than 45 days after the conclusion of the public inspection period. Not later than 60 days after the conclusion of the public inspection period, the Commission shall either adopt the resubmitted plans which best satisfy the aforesaid requirements and provisions, or shall amend such plans as necessary to comply with the requirements of this Division and Article IVA of the California Constitution.

(e) In the event that the Commission is unable to adopt plans in accordance with subdivision (d) of Section 30006, within the time specified in this section, the justices shall declare the Commission disbanded and shall appoint a new Commission from among the alternates or remaining nominees, or both, in accordance with the provisions of Section 30003. Said Commission shall be afforded an additional 45 days in which to adopt a plan or plans from among those originally submitted to the Commission, subject to the same standards.

30009. Filing and Enactment.

(a) Immediately upon adopting plans within the time specified in this Division, the Commission shall file said plans with the Secretary of State and the justices shall declare the Commission disbanded. Notwithstanding any other provision of law, the filing date of an adopted plan shall constitute its date of enactment. Upon filing, each plan shall have the full effect of a statute of this state and shall be published in the Elections Code.

(b) A plan or any section or part thereof, shall not be subject to repeal or amendment by the Legislature. Plans shall be subject to referendum pursuant to the procedures applicable to a statute of this State. Notwithstanding the qualification of a referendum petition against an adopted plan, the districts established by such a plan shall be applicable in any election held prior to or at the time of the referendum election. If defeated in a referendum election, a plan shall be void and without effect, except that districts used during a primary election shall be used in the subsequent general election. The justices shall thereupon appoint a new Commission from among the alternates and remaining nominees in accordance with the provisions of Section 30003. Said Commission shall be afforded an additional 45 days in which to adopt a plan from among those originally submitted to the Commission. Any plan adopted by this Commission shall also be subject to referendum.

(a) Any justice, Commissioner, alternate, nominee, special master, member of the Commission staff or member of the justices' staff who either makes any promise or agreement to influence or attempt to influence the Commission to make any decision for or against a particular plan, or willfully and corruptly permits any communication to be made to him or her, or receives any plan, document, book, paper, instrument, or information relating to any cause or matter pending before the Commission, except according to the regular course of proceedings, is punishable by a fine not exceeding ten thousand dollars (\$10,000), or by imprisonment in the state prison.

30010.1. Judicial Review.

(a) The California Supreme Court is hereby vested with original and exclusive jurisdiction to review legal challenges to plans adopted by the Commission. Review may be had by the Court on its own motion or by the filing of a petition for a writ of mandate, filed by any group or individual registered voter of the state with the clerk of the Court within 30 days after the adoption of a plan. The Attorney General shall represent the Commission with respect to such review or action.

(b) In the event that neither an original Commission nor a Commission appointed pursuant to the provisions of Section 30008 or 30009 has adopted plans within the time specified by this Division, the Supreme Court shall adopt plans which are consistent with the provisions of Article IVA of the California Constitution and this Division. Said plans shall be adopted within 60 days after the conclusion of the time period permitted for adoption of plans by a Commission appointed pursuant to the provisions of Sections 30008 or 30009.

(c) In the event that any plan adopted by the Commission is adjudicated unconstitutional or in violation of a federal statute, the Court shall order the justices to appoint a Commission from among alternates. In the event that such a Commission, or a Commission appointed pursuant to the provisions of Sections 30008 and 30009, adopts any plan which is adjudicated unconstitutional or in violation of a federal statute, the Court shall adopt a plan in accordance with the purpose and intent of this Division, and Article IVA of the California Constitution.

If this measure is approved but shall not receive a greater number of affirmative votes than said other measure or measures, this measure shall take effect to the extent permitted by applicable law.

Section Ten. This initiative is to be liberally interpreted to effect its purposes.

Section Eleven. If any provision of this initiative or the application of any provision of this initiative to any person or circumstance shall be held invalid, the invalidity shall not affect other provisions or applications which reasonably can be given effect without the invalid provision or application, and to this end the provisions of this initiative are severable.
